DELSUN

Company Profile

Delsun Co., LTD. was established in 1997 specializing in plastic mold injection technology. Over the next decade we went on to design and develop a series of baby products and children's furniture. Today we offer three product series:

1.Children's furniture (tables and chairs, storage organizers. plastic bins, building block tables etc)
2.School furniture (school tables and chairs, stackable kiddy cots, storage organizers and storage bins, drawers, mats, sleeping mats etc)
3.Baby furniture (high-chairs,baby changing-tables, travel cots, portable sleeping mats etc)

In addition to these three product series, we have invested in the design and development of baby strollers and joggers.

We are proud of our team, which is guided by three principles:

1. Innovation and punctual delivery of products to customers.
2.Constant quality control : we observe the quality control and production procedures to ISO certification standards.
3.Competitive pricing : we develop high quality products under strict cost control in in order to provide competitive prices.
